

AY - 9001 - AUT

- **Code:** 5417860

Automatique starter in case of mains voltage failure or drop.

- Security Instruments : Disconnection for low oil pressure, for high engine temperature or for over speed.
- Measuring Instruments : Voltmeter, hour-meter, battery voltage, frequencymeter, ampermeter and contactors.
- Control accesories : Mains surveillance, contact without voltage
- Capacity 60 - 100 KVA y 150 - 220 KVA
- Dimensions: 1000 x 700 x 350 mm.
